A.F.A. COMMITTEES

We are active folks looking for more of the same kind of people. You need not be a delegate or state coordinator to chair or serve on any committee. Nationwide participation is invited. Please contact these various chairpersons if you have questions, or would like to contribute.

THE EXACT PRESCRIPTION FOR A HEALTHIER, HAPPIER, CONTENTED BIRD.

RAINBOW MEALWORMS contain 12 of the 16 elements that are found in living tissue and rich in vitamins A and B. Natural vitamin A is essential to your birds nutrition and growth. Vitamin B is required to maintain the nervous system.

RAINBOW MEALWORMS are a living food, clean and odorless. They should be kept under refrigeration at 40°F to 48°F (but not necessary). At this temperature they become dormant and maintain perfect condition for several months.

RAINBOW MEALWORMS are graded in four sizes for your convenience: SMALL, MEDIUM, LARGE, and MIXED. Each and every worm is fresh and lively. No need for sorting or sifting. We guarantee 10% or more over-count per measure.

POSTAGE IS PREPAID. PROMPT SHIPMENT ALL YEAR AROUND. INSTRUCTIONS ON CARE ARE ENCLOSED WITH FIRST ORDER.
