TROPICAN®

Nutrition to last a lifetime

Our premium formulas have been designed for all life cycles of companion Parrots, from a newly hatched baby chick to an active and energized adult all the way to a mature senior.

TROPIMIX®

100% edible blend; free of husks and shells

A multi-grain variety with tasty fruits, vegetables, legumes and nuts with the added benefit of Tropicana.

HARI (Hagen Avicultural Research Institute) was established in 1985 and continues to evolve into a world class Psittacine captive breeding, nutrition and research facility. HARI represents, recognizes and supports all legs of avian community to include responsible breeders, avicultural, veterinarians, rescue and adoption facilities, as well as wild parrot conservation on a global level.

HARI remains involved throughout the entire production process of all Tropicana and Tropimix formulas, and is trusted by worldwide veterinarians.
