

1st place winner, Stefan Norberg and Anders Hansson, Djursholm, Sweden — *A. a. autumnalis* (yellow-cheeked Amazon).

# 1982 Watchbird Photo Contest Winners

## Part Two

All 1982 winners are listed here, but only the winners in the color slide category are shown on these two pages and on the back cover.

The front cover is the 1st place winner in the color print category which was shown in black and white in the preceding (Oct/Nov) issue of Watchbird. See preceding issue for complete display of color print winners.
