

# Nestmates Anonymous

This service is to match unmated birds, to bring joy to forlorn single birds and their discouraged owners, and to broaden the gene pool in needy species.

To list a bird give as much of the following as you can: English name or names by which it is known, Latin name and sex; your name, address and phone number; one dollar for up to four birds.

To answer a listing send a separate letter for each bird sought (each one goes to a different source), including your name, address and phone number; enclose a dollar for each bird sought (to cover mailing your response).

Address all communications to Ms. Cathy Grosse, 3120 Epworth Avenue, Cincinnati, Ohio 45211. Do not write to the *Watchbird!*

## Avian Research Grants

Research grants are awarded annually by the American Federation of Aviculture to qualified applicants. Areas of interest include: avian nutrition, infectious and non-infectious diseases, disease control techniques and vaccination, diagnostic procedures, incubation and artificial insemination techniques, field studies and general avicultural techniques. Proposals may also be submitted for consideration by the AFA Conservation Committee.

All proposals will be reviewed by committee members and consultants knowledgeable in the field and must be scientifically sound, specific and feasible. Preference in awarding grants will be given to members of AFA.

A brief letter of intent should be submitted with a request for application

forms to: Susan L. Clubb, DVM, 5400 NW 84 Ave., Miami, FL 33166. The deadline for receiving applications is June 1. All grants are approved by the board of AFA and announced at the following AFA August national convention. All applicants will be notified by letter.

All grant recipients will make brief periodic reports to the research committee. Results will be reported in the AFA *Watchbird*. Grants will be awarded for one year. Reapplications can be made for subsequent years.

Any donations, large or small, will be appreciated and will go directly into the Research Fund. Send donations to: AFA Research Fund, P.O. Box 1568, Redondo Beach, CA 90278. ●
