

**Nature's Window
to Sponsor
Great American Bird Show**

Atlanta, GA — Nature's Window Incorporated will sponsor the 2nd Annual Great American Bird Show on October 2-4, 1987. The show will be held at the Crowne Plaza Hotel at the Atlanta International Airport.

The show will open its doors to the public in an effort to promote pet bird ownership, avian research, pet therapy and a better understanding of birds in captivity. A large variety of birds ranging from hummingbirds to hyacinth macaws will be on view.

In addition to trophies and ribbons, over \$10,000 in cash awards and prizes will be presented. A Nature's Window custom aviary, a glass enclosure for birds, will be one of the valuable items raffled.

Clubs and organizations wishing to attend this annual event in October may contact Nancy Wilton for additional show information and hotel room registration cards by calling (404) 955-5000 or by writing Great American Bird Show, Nature's Window, 200 Galleria Parkway, Suite 1720, Atlanta, Georgia 30339. ●
