The American Federation of Aviculture is an educational organization and in keeping with our standards, we are offering lectures conducted by nationally and internationally known aviculturists. The convention is not only a time for learning but it is a time to renew old friendships and kindle new ones. There is fun to be had by one and all. Where else can you find so many people with the same mindset, birds? Whether you are looking for the latest in bird nutrition, cages or unusual items, this convention is the place for you. The raffle has great items and it only takes one ticket to win. So why do we buy so many tickets? Perhaps to show our support but secretly it is because we want to increase our chances of winning.

Make sure your boots are made for walking when you join us in Dallas for “The Beauty of Birds” convention. Dallas and the surrounding area is a “hotbed” of entertainment.

- **Dallas Zoo** - We are planning a fantastic trip to the Dallas zoo that includes a picnic lunch on the Flamingo Deck and a behind the scenes tour of the bird department. The facility is home to approximately 8,000 animals from some 380 different species. The entire bird department is looking forward to making our trip one we will remember. In addition, they will be joining us at the convention as schedules allow.
- **Six Flags Over Texas** – the first of many opened in 1961, took its name from the six countries whose flags had flown over Texas throughout the state’s extraordinary history.
- **West End Marketplace** – a shopping and entertainment center located in a restored warehouse that was converted to an entertainment complex filled with several dozen retail shops, cart vendors, food, arcade, and an outdoor stage.
- **Dallas World Aquarium** – more than 375 species of marine, freshwater, and tropical fish, amphibians and reptiles.
- **Dallas Arboretum and Botanical Garden** – features 66 acres of blooming flowerbeds, manicured lawns and lush trees.
- **Greenville Avenue** – offers a wide variety of bars and restaurants featuring live music bars and regular bars.
- **Texas Stadium** – Although it is actually located in Irving, Texas Stadium is renowned as the home of the Dallas Cowboys. True to their reputation as “America’s Team,” the Cowboys draw fans from across the nation to watch them play. The stadium also offers behind-the-scenes tours.

• **Dallas Museum of Art** - Established in 1903, the Museum features an outstanding collection of more than 23,000 works of art from around the world, from ancient to modern times.

Transportation:

• **Love Field** - served by three air carriers including Delta Connection ASA, Continental Express and Southwest Airlines. There is a free shuttle from Love Field to the hotel.

• **Dallas Fort Worth** – an International Airport and served by all major airlines. Ground transportation from DFW to the hotel is by Yellow Checker Shuttle Co. under the name of the “Airporter.” Advanced reservation can be made by calling 817 267 5150. Airporter boarding is located on the upper level of each terminal in the Yellow Checker Shuttle loading zones - two convenient locations at each terminal. As of this writing the cost was \$16, per person with a reduced rate if you book a return at the same time. For those of you who are arriving together, there is a limo service, Airport Car Service and Limousine (214-649-7964) that offers transportation for up to four people for \$65.

• **Arriving by car** – there are over 400 “FREE” parking spaces at the hotel.

Convention Schedule:

- Tuesday, August 1, 2006 – Board of Directors, BOD, meeting, members welcome.
- Wednesday, August 2, 2006 – House of Delegates, HOD, meeting. Only members of the HOD will be allowed to vote but members are welcome to attend.
- Wednesday, August 2, 2006 – Dallas Zoo
- Thursday, August 3, 2006 – Lectures start at 9:00 AM, vendor hall open.
- Thursday, August 3, 2006 – AFA affiliated Specialty meetings in the evening from 6:00 PM – 10:00 PM.
- Friday, August 4, 2006 – Lectures start at 9:00 AM, vendor hall open.
- Friday, August 4, 2006 - AFA affiliated Specialty meetings in the evening from 6:00 PM – 10:00 PM.
